This short guide has been produced to accompany a series of maintenance workshops, organised by UAH in partnership with the Armagh and Lurgan Townscape Heritage Schemes, kindly supported by Armagh, Banbridge and Craigavon Borough Council and the National Lottery Heritage Fund.

The Townscape Heritage (TH) Scheme
Over a five-year period, the TH Scheme in Armagh & Lurgan aims to prioritise capital projects to aid the repair, refurbishment and restoration of historic buildings. In turn this will contribute to and enhance the character of the Armagh and Lurgan area. The TH Scheme also aims to provide a series of educational and outreach activities, targeting local communities and helping to define a better sense of place.

Restoration and renewal
A short guide to revitalising our Townscape Heritage

DOORS OF BELFAST

**Enniskillen: 50 Years On
OCTOBER, 2022**

Of all Fermanagh's beauties,
I can only mention some,
And one of them must surely be the
Castle down at Crom.
There's lovely Enniskillen and likewise
dear Lisnaskea,
And when you visit Fermanagh
all these people you can see.

When tourists visit our country,
sure the first place that they seek
Is our world famous pottery and its
china that's unique
For we that are familiar, sure,
there's no need for to speak
For when you mention pottery,
you can only mean Belleek.

There's both the best of both
the world and grand
to both happy times and to some
of day from and
the best of the world have
to mean no more
When a hill named for miles
where every one believes

When a hill named for miles
where every one believes
