

Royal Hillsborough Walking Tour

Monday 14th April

The Square

On Monday 14th April members enjoyed coffee and scones at Arthur's on Main Street, admiring the striking building which was restored by its owners, Jonathan and Lynne McCabe in 2022. Emma Mathers then led the group for a tour of the village. In addition to seeing some of the grander buildings, it was a delight to visit the Quaker Meeting House on Park Street, a vernacular gem, stunning in its simplicity. Our thanks to Ian Kirk-Smith for showing us round.

Many thanks to Emma for such an interesting and heritage-packed tour and for stepping up at the last-minute to run the event single-handedly.
